Opening balance	Credits	Debits	Closing balance
33,975,227 s	**+314,737 s**	**-536,996 s**	**33,752,968 s**

Date	Description	Amount (s)	Balance (s)
15 Jul	Transfer to own account: Montréal Sector	-419,899	33,555,328
	Sundries that cross from one world's day to another are rounded to the whole day, and this one crossed twice on the same afternoon. The rounding went up on the way out and down on the way back, and the two cancel to within 0.945. Ref. CIBT-2995-089C-5		
26 Jul	Slippage fee (Montréal Sector, 5 transfers)	-3,000	33,552,328
	The Montréal Sector branch reckons the slippage on its own crossings and passes the charge to us at the day's close. The rate is 0.30 s per Standard day, as on every world, and the local office asks to be thanked for working the sums without a calculator. Ref. CIBT-2995-D62C-6		
28 Jul	Transfer to joint account	-114,097	33,438,231
	Yara Marchetti signs the transfer slip in pencil and you countersign it in ink, so the slip carries a provisional and a final view of the same sum. The officer files the pencil and the ink together, and has never been asked which one is correct. Ref. CIBT-2995-2D98-8		
30 Jul	Payroll credit: Brymar College	+190,162	33,628,393
	The charge for receiving wages in days has been waived. The Bank waives it whenever the wage comes to at least one whole day, and this one did, by a margin the officer calls comfortable. Ref. CIBT-2995-AAE7-1		
31 Jul	Interest at 4.40% APY	+124,575	33,752,968
	Reading the rate from the card, the Teller keeps her thumb over the last two digits so that you can give the figure yourself. You do, and she says you were right, and that she would have been quicker. Ref. CIBT-2995-1AFB-7

August 2994 July 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
