Opening balance	Credits	Debits	Closing balance
451,616,737 s	**+19,480,213 s**	**-470,374 s**	**470,626,576 s**

Date	Description	Amount (s)	Balance (s)
05 Dec	Payroll credit: Belt Ore Consolidated	+2,157,930	453,774,667
	You have always taken your wages from Belt Ore Consolidated in the old notes, the ones with square corners. The payroll office sends them at some expense, by a courier who is now on first-name terms with the counter. The courier has asked whether the notes could be made less square. The office has said no. Ref. CIBT-3000-6A4A-1		
07 Dec	Turbulence Cover	-12,651	453,762,016
	No fee is charged on the second claim of the 7th, the first having been filed in the wrong tray and so counted, for a day, as a rumour. The carrier has confirmed that the delay occurred on the day the tray says. Ref. CIBT-3000-CAE8-2		
07 Dec	Temporal Health Plan	-20,923	453,741,093
	Your 5 sessions at the clinic on Lagos Sector were billed on the 7th of each month, and each month the plan has paid them within 29 days. The plan regards this as the most punctual arrangement on its register. Ref. CIBT-3000-868B-7		
10 Dec	ATM withdrawal: Lagos Sector	-172,800	453,568,293
	The notes dispensed at Lagos Sector came out in the order Belt Ore Consolidated paid them in, which the machine honoured without question. The officer checked the serial numbers against the wage slip; they matched, and the slip has been filed under both names. Ref. CIBT-3000-6827-0		
10 Dec	Deposit: Hall E	+15,515,817	469,084,110
	The deposit came from Belt Ore Consolidated's surplus of unspent time at the close of its financial year, which the company describes as the hours it did not need. The Bank has credited the whole of it, and has not been asked to find out where the surplus came from. Ref. CIBT-3000-3AEB-6		
12 Dec	Slippage fee (Lagos Sector, 8 transfers)	-4,800	469,079,310
	The standing transfer to 8564-6492-7206 crosses 8 times a month at 0.30 s a crossing, so the fee comes to the same sum every month. The Bank has stopped sending the figure in advance, since it has never once changed. Ref. CIBT-3000-7B44-0		
22 Dec	ATM withdrawal: Lagos Sector	-259,200	468,820,110
	A draw of 3 Standard days was refused at Lagos Sector for a reason the machine gave in full and in its own words, which are kept in the file. The sum was drawn at Hall E the next morning without difficulty. Ref. CIBT-3000-EA59-9		
31 Dec	Interest at 4.80% APY	+1,806,466	470,626,576
	The rate was keyed one place wrong at Lagos Sector and corrected on the next morning's run. The interest for the period is the corrected sum, shown on this line, and nothing further is owed. Ref. CIBT-3000-8630-4

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
