Opening balance	Credits	Debits	Closing balance
389,476,788 s	**+3,715,837 s**	**-11,218,083 s**	**381,974,542 s**

Date	Description	Amount (s)	Balance (s)
05 Mar	Payroll credit: Belt Ore Consolidated	+2,157,930	391,634,718
	Belt Ore Consolidated asked on the 5th whether its wage could be posted under the date of the work and not the date of the payment. The Bank declined, on the grounds that the work was done in the past and the payment is made in the present, and the payment has been posted under its own date. Ref. CIBT-3003-9415-9		
06 Mar	Transfer to own account: Delhi Sector	-10,656,852	380,977,866
	Delhi Sector reports its sundries in its own days and sends them to us the day after, so this one was a day old when it reached the counter. The officers at Hall E have stopped remarking on it, though not on the sundry. Ref. CIBT-3003-0F5D-7		
07 Mar	Turbulence Cover	-9,879	380,967,987
	The claim for 16 minutes on the 7th was checked against the manifest and the underwriter's own log, and the two auditors initialled the agreement in different inks. Ref. CIBT-3003-2A47-0		
18 Mar	ATM withdrawal: Delhi Sector	-259,200	380,708,787
	The Teller at Delhi Sector says the machine seemed to know who was coming in, and had its receipts ready before you reached it. She has put this down to the lighting. Ref. CIBT-3003-05E2-8		
18 Mar	Slippage fee (Delhi Sector, 1 transfers)	-600	380,708,187
	You time each crossing on your own watch and write to the relay with the gap. The relay has never once been wrong about its own clock, and has come to accept your figures as a courtesy to itself. Ref. CIBT-3003-04B4-6		
21 Mar	ATM withdrawal: Delhi Sector	-259,200	380,448,987
	Your withdrawal was posted at 259,200, the figure the machine displayed, though it had in fact paid out 0.956 day less. The difference was returned on the 21st, and the line now shows what was paid. Ref. CIBT-3003-29AF-0		
22 Mar	Temporal Health Plan	-32,352	380,416,635
	The administration charge of 0.30 on this claim was worked out from the rate card for the day of treatment, not the day of billing. The rate card is on file and the charge agrees with it, which the plan records as the card's finest hour. Ref. CIBT-3003-B866-8		
31 Mar	Interest at 4.80% APY	+1,557,907	381,974,542
	A depositor at Hall E asked for the interest to be paid in hours rather than seconds. The teller explained that an hour is only a sum of seconds, and the depositor said he would wait for the rest of them. Ref. CIBT-3003-AB20-7

April 3002 March 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
