Date	Description	Amount (s)	Balance (s)
01 Jul	ATM withdrawal: Montréal Sector	-86,400	94,726,634
	The machine reminds you of the quarterly draw by printing a small card on the morning it is due. The custodian carries the card to the Hall E counter by hand, out of respect for the machine's own sense of timing. Ref. CIBT-3017-991C-3		
05 Jul	Transfer to own account: Montréal Sector	-1,302,439	93,424,195
	The quarterly sundry charge for holding a second copy of your mandate. The copy has never been asked for. It is kept anyway, and the charge is kept with it. Ref. CIBT-3017-9F03-9		
22 Jul	Memory Vault: box 46-480, quarter	-259,200	93,164,995
	Box 46-480 is held on the Mars Station sub-level, cut into rock below the dust. The rent is set in days by the local clock, and the custodian asks that boxes be inspected in the morning only, when the dust has settled enough to show the far wall. Ref. CIBT-3017-EA4C-6		
28 Jul	Slippage fee (Montréal Sector, 1 transfers)	-300	93,164,695
	The relay's log showed 1 crossings where this statement shows 13 fewer. A line was lost in the copy of the log sent to us, and it has been restored. The crossings are real, and each is now charged once, as it should have been. Ref. CIBT-3017-CB3F-7		
29 Jul	Payroll credit: St. Catherine Bakeries	+397,239	93,561,934
	The St. Catherine Bakeries wage for the 29th came to 397,239, and the odd 0.992 was rounded in the employer's favour, as the agreement between the two offices allows. It is the first month this year that the rounding has gone that way. Ref. CIBT-3017-CA3F-6		
31 Jul	Interest at 4.80% APY	+379,252	93,941,186
	The reviewer's copy of this line reproduces to the second from the balance, the rate and the period. The reviewer has noted that the balance was never in doubt, and has asked for this to be written in the margin as a sign of good health. Ref. CIBT-3017-A8BE-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
