Standard Time Deposit

Jarrah Eskeland
Unit 62, Pallas Ring 10

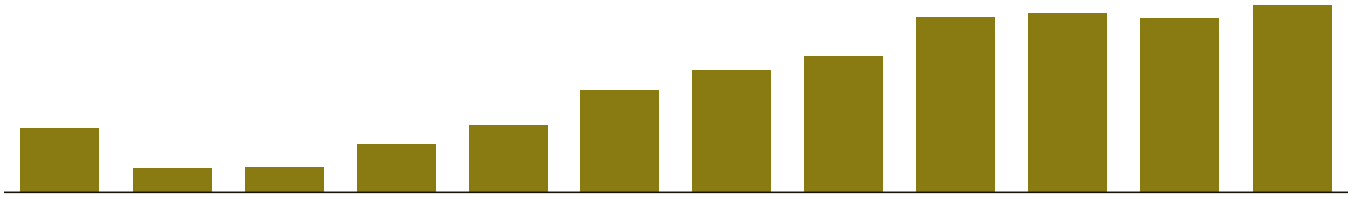

Account 8564-1490-5708
Period 1–30 June 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,035,161,151 s	+34,348,878 s	-345,900 s	1,069,164,129 s

Date	Description	Amount (s)	Balance (s)
02 Jun	Slippage fee (Lagos Sector, 1 transfers)	-300	1,035,160,851
	You have the habit of sending a small sum just before the relay's lunch hour. The reconciler asks that you stop, since the relay is quieter at that hour and the drift is smaller; the fee on this month's 1 crossings is 300 seconds regardless. Ref. CIBT-3003-E6F1-0		
09 Jun	ATM withdrawal: Lagos Sector	-172,800	1,034,988,051
	The posting was delayed 31 days while the machine waited for a relay to pass it a balance, and the relay waited for the machine to ask again. Each believed the other held the figure, which is the usual cause of a delay on this route. Ref. CIBT-3003-1DE2-4		
10 Jun	Mech Veterans' Time Pension	+3,846,585	1,038,834,636
	A replacement pension book was issued at the wicket with the cracked glass without a fee, the first having gone astray on a post route the Bank no longer uses. The old book is void, and the new one is the only one on file. Ref. CIBT-3003-10AA-5		
13 Jun	ATM withdrawal: Lagos Sector	-172,800	1,038,661,836
	No slippage charge applies to this withdrawal. The money was drawn at Lagos Sector and posted at the branch, and the Bank does not charge for the distance between the two, which it has measured as 56 seconds on foot. Ref. CIBT-3003-A578-7		
18 Jun	Deposit: Hall E	+27,655,600	1,066,317,436
	The envelope was first credited to 8564-4921-8382, because the two account numbers differ only in their last four figures and the window read the wrong four. The mistake was caught at the close of the day, and the sum moved back with the slip attached. Ref. CIBT-3003-27E2-2		
30 Jun	Interest at 3.30% APY	+2,846,693	1,069,164,129
	The interest on this account was restated after the Rate Committee revised its table for the quarter. The difference of 0.30 s has been paid back at the next counter, which is the only place the Bank can return a second to a depositor by hand. Ref. CIBT-3003-47DF-3		

Closing balance, month by month

July 3002 June 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
