Date	Description	Amount (s)	Balance (s)
02 May	ATM withdrawal: Venus	-259,200	68,235,428
	The machine offered 3 Standard days in whole days, and the remaining 0.964 was held as a credit, not refused. It appears on your balance and will be paid with your next withdrawal, if you ask for it. Ref. CIBT-2995-7AA9-9		
20 May	ATM withdrawal: Venus	-259,200	67,976,228
	The receipt for 3 Standard days came out of the machine folded in a way the custodian described as deliberate. You may keep it or give it back. The Bank has no preference, though it would like the crease kept where it is. Ref. CIBT-2995-F178-7		
20 May	Deposit: Hall E	+3,149,981	71,126,209
	The quarterly deposit of 3,149,981 from 8564-6990-9472 came in on the 20th, two days before the Bank's own calendar expected it. Nothing is due for the early arrival, and nothing has been asked of the sender. Ref. CIBT-2995-4EE3-8		
24 May	Temporal Health Plan	-32,938	71,093,271
	The plan's address on your statement was out of date and has been changed. Earlier premiums were sent to a branch of the Bank that closed in 2994, and the plan has confirmed that they were received. Ref. CIBT-2995-CB82-6		
27 May	Payroll credit: Harbourfront Shipping	+434,284	71,527,555
	For the auditors: this wage came from a remittance whose payroll number is already on the register under another employer's name. The sum agrees and the employer does not, so the entry has been kept on Harbourfront Shipping's side and the register note left as found. Ref. CIBT-2995-0296-6		
31 May	Interest at 3.60% APY	+205,483	71,733,038
	Note for the auditors: this interest was calculated by hand for 29 days, and the hand figure agreed with the machine's to the second. The machine was asked to record the agreement in its own log, and did. Ref. CIBT-2995-4153-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
