Period 1–31 December 2989
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
16,480,874 s	**+1,989,777 s**	**-345,600 s**	**18,125,051 s**

Date	Description	Amount (s)	Balance (s)
07 Dec	ATM withdrawal: Oakland Sector	-172,800	16,308,074
	Your card was declined twice before the machine accepted it, because the first two requests reached the relay before it had caught up with the balance. No fee was charged on the third try, which is the one that worked. Ref. CIBT-2989-1324-2		
13 Dec	Payroll credit: the Lagrange Four Commissary	+340,372	16,648,446
	The Lagrange Four Commissary pays at the close of the Head Office day. The employer calls this the close of business and the Bank calls it the usual time, and the credit is dated to it. Ref. CIBT-2989-1325-3		
16 Dec	ATM withdrawal: Oakland Sector	-172,800	16,475,646
	The card was kept by the machine at Oakland Sector for 58 minutes while the Bank's ledger caught up with a withdrawal you had already made. You had walked off with the notes by then, and the machine has been asked to return the card with a note apologising for its pace. Ref. CIBT-2989-C106-8		
20 Dec	Deposit: Hall E	+1,601,336	18,076,982
	Deposits are credited in whole seconds. The fraction left over from the count is rounded down and held in the sub-ledger, where it is not lost but simply waiting to be asked for. This deposit left 1,200 seconds there. Ref. CIBT-2989-6AA2-4		
31 Dec	Interest at 3.50% APY	+48,069	18,125,051
	The interest for 2 periods was held at the counter until a second officer returned from leave, since the depositor had asked that it be paid in the presence of two. The officer came back on the 31st, and the interest was paid in both presences. Ref. CIBT-2989-12F5-2		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
