Opening balance	Credits	Debits	Closing balance
52,197,639 s	**+492,615 s**	**-3,372,883 s**	**49,317,371 s**

Date	Description	Amount (s)	Balance (s)
05 Jul	Payroll credit: the Lagrange Four Commissary	+340,372	52,538,011
	The Lagrange Four Commissary figure was 0.30 seconds below the sum the employer gave us, and the Bank has added the difference back at the posted rate. The rounding clause in your terms says the wage is shown in whole seconds. It does not say which whole second. Ref. CIBT-2992-F25E-6		
05 Jul	Transfer to own account: Lagos Sector	-3,285,283	49,252,728
	The credit from Ines Blackwood was held 31 days at the Lagos Sector office while the sender's clerk confirmed that the reference had been copied as it appeared on the form. It had, and the sum has been posted in full. Ref. CIBT-2992-0171-5		
14 Jul	Slippage fee (Lagos Sector, 4 transfers)	-1,200	49,251,528
	A crossing is charged to the second, but a month of crossings is charged to the minute, so the seconds left over at the end are carried to the next month. This month they came to 0.967, and they will be added to the first crossing you make next, which the Bank has mentioned in advance so that you may prepare. Ref. CIBT-2992-6AE6-6		
16 Jul	ATM withdrawal: Lagos Sector	-86,400	49,165,128
	The Teller counted the notes twice at the window, once for you and once because you had asked how many there were. The figure was the same both times, which she describes as the only pleasant surprise of the morning. Ref. CIBT-2992-EBC6-0		
31 Jul	Interest at 3.50% APY	+152,243	49,317,371
	Interest carried in from Lagos Sector arrived 31 days after it was earned, the courier having taken a longer road. It earned at the rate of the day it was made, and the courier has been asked to walk. Ref. CIBT-2992-D0B2-6

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
