Opening balance	Credits	Debits	Closing balance
55,199,367 s	**+501,370 s**	**-3,517,988 s**	**52,182,749 s**

Date	Description	Amount (s)	Balance (s)
01 Oct	Payroll credit: the Lagrange Four Commissary	+340,372	55,539,739
	The Lagrange Four Commissary's office asked for its wages to be held until its own calendar had caught up with the Bank's. It did, on the 1st, and the wage was released with the interest for the wait added to it. Ref. CIBT-2995-477D-7		
07 Oct	ATM withdrawal: New Orleans Sector	-259,200	55,280,539
	The auditors matched this withdrawal against the machine's own log, the relay's and the branch's, and found all three recording the same 37 seconds of delay. They asked for the three to be kept together, and they now are. Ref. CIBT-2995-A0CF-7		
27 Oct	Slippage fee (New Orleans Sector, 6 transfers)	-1,800	55,278,739
	The statement counted the crossing from New Orleans Sector as a crossing to it. Both stations are printed on the same board, so the mistake is an easy one to make; the direction has been corrected and the fee is unchanged. Ref. CIBT-2995-BFBF-9		
29 Oct	ATM withdrawal: New Orleans Sector	-86,400	55,192,339
	The Teller asks us to say that the machine at New Orleans Sector is quieter than it was, and that she is grateful for it, though she does not say for what. Ref. CIBT-2995-3D0C-1		
30 Oct	Transfer to own account: New Orleans Sector	-3,170,588	52,021,751
	A charge for a document issued at New Orleans Sector, rounded up to the next second. The officer agreed the rounding was unkind, then noted that it was the same rounding everyone else receives. Ref. CIBT-2995-20ED-2		
31 Oct	Interest at 3.50% APY	+160,998	52,182,749
	Your account accrued interest on New Orleans Sector, a branch whose posted rate is quoted in the local day and converted at the Head Office rate on the day of posting. The conversion has been checked and is correct to the second. Ref. CIBT-2995-FC0E-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
