| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 07 Jul | Slippage fee (Montréal Sector, 2 transfers) | -1,200 | 61,085,836 |
| | The Audit Committee has asked that this slippage be read against the drift report for the same day. It agrees with the report to the second, and the report has been filed with it. Ref. CIBT-3000-8396-3 | | |
| 18 Jul | Payroll credit: the Lagrange Four Commissary | +340,372 | 61,426,208 |
| | The wage for 31 Standard days, converted at Montréal Sector and credited here with no exchange charge, since the exchange was shut on the day and the Bank does not charge on a day its exchange has kept closed. Ref. CIBT-3000-645D-2 | | |
| 24 Jul | Transfer to own account: Montréal Sector | -1,917,246 | 59,508,962 |
| | A sundry delayed 29 days by a dispute over which office should bear it. Hall E maintained that Montréal Sector should; Montréal Sector said the Bank should. The Bank has now borne it, and the charge appears here with a note that the matter is closed. Ref. CIBT-3000-FE23-5 | | |
| 31 Jul | Interest at 3.50% APY | +178,170 | 59,687,132 |
| | The statement shows interest to the second. The balance itself is held to the tenth, so the figure printed is a rounding of the figure used. The difference goes to the Bank's favour in each month and to yours in each year, which is the arrangement the Bank describes as balanced. Ref. CIBT-3000-0BA1-3 | | |

## Closing balance, month by month
