Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
40,032,988 s	+2,132,541 s	-260,400 s	41,905,129 s

Date	Description	Amount (s)	Balance (s)
07 Jan	ATM withdrawal: New Orleans Sector	-259,200	39,773,788
	On the first working day of each month you draw 3 Standard days from the Automated Temporal Machine at New Orleans Sector, always the same sum, and always leave the second note in the slot for the next holder. The engineer who services the machine has begun to set that note aside for you. Ref. CIBT-3025-C1EC-4		
22 Jan	Slippage fee (New Orleans Sector, 4 transfers)	-1,200	39,772,588
	A note for the auditors: the slippage on this line was paid from the Hall E float rather than from the account, and the float has been reconciled to the second. The account itself is unaffected. Ref. CIBT-3025-1BE0-4		
28 Jan	Payroll credit: the Lagrange Four Commissary	+340,372	40,112,960
	An earlier line showed this pay as the net figure when it was the gross. The payroll office has sent the calculation, which shows the difference as an allowance for 30 days of unpaid leave that was later cancelled. Ref. CIBT-3025-9A07-7		
30 Jan	Deposit: Hall E	+1,675,407	41,788,367
	The deposit of 1,675,407 was posted to another holder's account in error on the 30th. It was moved to yours the same afternoon, and the entry was confirmed against the register, the slip and the envelope, in that order. The other holder has been told, and has replied in the same hand as the apology. Ref. CIBT-3025-2D11-8		
31 Jan	Interest at 3.50% APY	+116,762	41,905,129
	Interest for the public holiday was credited on the morning after, the holiday not being a day on which the Bank counts interest at Hall E. The day was not lost; it was kept, and paid with the next day's interest at the posted rate. Ref. CIBT-3025-DDED-5

February 3024 January 3025

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
