Period 1–31 August 3022
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
35,466,298 s	**+456,285 s**	**-248,409 s**	**35,674,174 s**

Date	Description	Amount (s)	Balance (s)
05 Aug	Payroll credit: Cloudport Aerostat Lines	+237,674	35,703,972
	You have always taken your wages from Cloudport Aerostat Lines in the old notes, the ones with square corners. The payroll office sends them at some expense, by a courier who is now on first-name terms with the counter. The courier has asked whether the notes could be made less square. The office has said no. Ref. CIBT-3022-5F68-2		
09 Aug	Turbulence Cover	-19,405	35,684,567
	For the file: the delay of 13 minutes was recorded by two clocks, and the auditors accepted the slower one, on the grounds that it was the one the passenger had been using. Ref. CIBT-3022-CFE5-8		
22 Aug	Transfer to joint account	-142,604	35,541,963
	Cloudport Aerostat Lines now posts its half of the joint transfer on the Friday before the due date, and asks that the Bank treat it as an early Friday rather than a late Thursday. The Bank has agreed to treat it both ways until the next calendar is printed. Ref. CIBT-3022-C348-5		
29 Aug	Deposit: Hall E	+79,702	35,621,665
	You have never deposited on the first day of a month, and you have never once deposited on the last. The officers at Hall E have noticed, and have moved the queue for those days to the far window, where you are never kept waiting. Ref. CIBT-3022-DAB4-0		
30 Aug	ATM withdrawal: Callisto	-86,400	35,535,265
	Each month you draw the same One Standard day from the machine at Callisto, and each month the sum is the same to the second. The Bank has set the limit to match, so that the account balances without anyone having to explain it. Ref. CIBT-3022-3C73-3		
31 Aug	Interest at 4.70% APY	+138,909	35,674,174
	Cloudport Aerostat Lines put its bonus into this account in one lump, and the interest on the lump is shown as its own line, so the company's accountants can see what the money earned while it sat, unclaimed, in your name. Ref. CIBT-3022-D902-2		

Closing balance, month by month

September 3021 August 3022

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
