| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 09 Jul | Payroll credit: Brymar College | +92,814 | 8,885,471 |
| | The Brymar College office at Mars Station runs a shorter working week than ours, so its wages reach this branch on the day they are paid and not on the day the period ends. The Bank has not been asked to shorten yours. Ref. CIBT-2995-757C-7 | | |
| 23 Jul | Transfer to own account: Mars Station | -376,544 | 8,508,927 |
| | The sundry waited 29 days for a stamp that Hall E had ordered from Mars Station. The stamp came in a slightly wrong shade of blue, and the Bank accepted it regardless, since the document was already filed. Ref. CIBT-2995-1150-6 | | |
| 27 Jul | Transfer to joint account | -55,688 | 8,453,239 |
| | The Teller asks each month whether the account is still in both names. It has been in both names since 2991. She records the answer and nothing else, which is how she has come to know the account well. Ref. CIBT-2995-F0F1-4 | | |
| 31 Jul | Interest at 3.90% APY | +28,576 | 8,481,815 |
| | Interest of 1,500 was earned this month, less a 0.30 s charge for keeping the account open. The charge pays for storing the seconds, and the Bank is aware that this is not a conventional fee. Ref. CIBT-2995-7741-8 | | |

## Closing balance, month by month

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
