Opening balance	Credits	Debits	Closing balance
14,252,054 s	**+690,093 s**	**-414,784 s**	**14,527,363 s**

Date	Description	Amount (s)	Balance (s)
04 Aug	Payroll credit: Brymar College	+92,814	14,344,868
	The employer's office sent this month's wage 31 days late, explaining that the figure had been copied from the back of a menu. The sum fell exactly on a half-second, and under the rounding rule such a sum goes to the payee, so the half becomes a whole second, which is yours and appears on the credit line. Ref. CIBT-3003-44D3-1		
06 Aug	ATM withdrawal: Phobos	-86,400	14,258,468
	No fee applies to a withdrawal made before the concourse wakes. At that hour the machine is, by the Bank's reckoning, mostly talking to itself, and it would be unkind to bill it. Ref. CIBT-3003-0E6E-8		
08 Aug	ATM withdrawal: Phobos	-259,200	13,999,268
	You have withdrawn 34 sols from the Phobos machine every Monday since 3001. The machine has begun to expect you, and says so on its screen, which was not part of its design. Ref. CIBT-3003-A993-8		
10 Aug	Turbulence Cover	-11,396	13,987,872
	Turbulence is measured in whole sols on the route's gauge and rounded up before it is charged, but rounded down when it is paid back. The carrier describes the rounding symmetrical. The Bank calls it the gauge. Ref. CIBT-3003-1DF2-5		
24 Aug	Deposit: Hall E	+550,960	14,538,832
	A deposit of 550,960 arrives at Hall E on the last working day of each quarter from a source the Bank has been asked not to name. Each time it is counted by the same officer, who now counts it ahead of the slip is written. Ref. CIBT-3003-1EB8-8		
26 Aug	Slippage fee (Phobos, 7 transfers)	-2,100	14,536,732
	Filed with the auditors' papers for the quarter: slippage on 7 crossings, 2,100 s in all, reconciled to the relay's own figures, which the relay has since asked us to keep to ourselves. Ref. CIBT-3003-7CE4-1		
28 Aug	Transfer to joint account	-55,688	14,481,044
	Each month the Phobos share is sent in a sealed container that arrives with the seal broken and the sum inside intact. The Bank has recorded this as a customary delivery and does not ask about the seal. Ref. CIBT-3003-AB55-5		
31 Aug	Interest at 3.90% APY	+46,319	14,527,363
	The Teller says interest is the only money in the building that never asks anyone for anything, and that she respects it for this. The figure is correct, and she has said so before, on other days, in the same tone. Ref. CIBT-3003-9C40-2		

Closing balance, month by month

September 3002 August 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
