Opening balance	Credits	Debits	Closing balance
216,185,532 s	**+997,019 s**	**-10,407,425 s**	**206,775,126 s**

Date	Description	Amount (s)	Balance (s)
01 Jan	ATM withdrawal: Svalbard	-86,400	216,099,132
	The sum of One Standard day was paid at Svalbard to a card whose expiry had passed the week before. The machine keeps a record of the sum and none of the expiry, and the Committee has asked whether the card or the sum is what lapsed. Ref. CIBT-2963-A045-0		
05 Jan	Transfer to own account: Svalbard	-10,284,360	205,814,772
	The Teller points out that the sundry charge on this statement was the only line you read before paying, and asks whether this was deliberate. It was, and she has admired it. Ref. CIBT-2963-3E18-7		
11 Jan	Temporal Health Plan	-36,065	205,778,707
	Three signatures sit under this reimbursement, two of them the auditors' and the third the auditors' again, which the plan takes to mean that the first two were not quite certain. The sum agrees with the provider's invoice to the cent, so the plan has let the third stand as a courtesy. Ref. CIBT-2963-06FB-0		
18 Jan	Slippage fee (Svalbard, 2 transfers)	-600	205,778,107
	You have crossed at Svalbard on the 18th of each month for 2 years, and the fee has been the same every time. The officer finds this reassuring, and says so each quarter. Ref. CIBT-2963-9097-9		
21 Jan	Mech Veterans' Time Pension	+366,478	206,144,585
	The first pension payment of each year is rounded to the nearest ten seconds, a custom the Pensions Office inherited and does not defend. This year the tens fell on the veteran's birthday, which the office has noted without paying anything extra for it. Ref. CIBT-2963-53F8-2		
31 Jan	Interest at 3.50% APY	+630,541	206,775,126
	Interest on your Harbourfront Shipping account was credited on the day the staff were paid. The Bank has been asked to note that this is a coincidence, and it has noted it. Ref. CIBT-2963-4BF4-2

February 2962 January 2963

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
