Period 1–31 August 2963
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
172,095,218 s	**+1,985,910 s**	**-5,547,174 s**	**168,533,954 s**

Date	Description	Amount (s)	Balance (s)
05 Aug	ATM withdrawal: Luna	-259,200	171,836,018
	The machine reminds you of the quarterly draw by printing a small card on the morning it is due. The custodian carries the card to the Hall E counter by hand, out of respect for the machine's own sense of timing. Ref. CIBT-2963-BF5C-8		
06 Aug	Payroll credit: Harbourfront Shipping	+1,028,618	172,864,636
	A wage credit from Harbourfront Shipping posted on the 6th belonged to the period before the last. The employer has sent a corrected schedule, and the entry has been moved to the period it belongs to. This month's figure stands as it was. Ref. CIBT-2963-452F-7		
15 Aug	Mech Veterans' Time Pension	+455,348	173,319,984
	Auditors' note: the pension for the quarter was checked against the veteran's own count of their service years, which they gave to the day. The two counts differed by one day, in the veteran's favour, and the auditors have agreed to call it the Bank's courtesy. Ref. CIBT-2963-42F2-4		
22 Aug	Temporal Health Plan	-35,181	173,284,803
	Your claim for 3 sessions was held 31 days during an audit of the plan's own clerks, who were found to be correct. The sessions have been paid in full, and the clerks have been congratulated in writing. Ref. CIBT-2963-284A-5		
30 Aug	Transfer to own account: Luna	-5,252,793	168,032,010
	On Europa the sundries are paid into a tin box under the ice, which the local office opens once a fortnight. The office calls this a ceremony, and the Bank posts the sum on the day the box is opened, which is the only day the office keeps its own time. Ref. CIBT-2963-5583-5		
31 Aug	Interest at 3.50% APY	+501,944	168,533,954
	Interest for 28 days is shown as one line because the statement printer could not split the period at the year's boundary. The line is correct, and the printer has been asked to behave better. Ref. CIBT-2963-3051-3		

Closing balance, month by month

Highest 216,185,532 s · lowest 168,533,954 s

September 2962 August 2963

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
