| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 01 Jun | Transfer to own account: Tallinn Sector | -9,684,101 | 179,186,782 |
| | Posted 28 Standard days late, because the relay that carries the forms from Tallinn Sector runs slow in the first week of each quarter. No interest is charged on the delay, which the Bank counts as the relay's fault and not yours. Ref. CIBT-2967-69CF-4 | | |
| 08 Jun | Slippage fee (Tallinn Sector, 3 transfers) | -2,700 | 179,184,082 |
| | The fee on this period was checked against the Open Ledger and agrees with it to the second. The Open Ledger's own rounding differs by one second on one line, which has been noted in the file and not corrected. Ref. CIBT-2967-F8E2-1 | | |
| 09 Jun | ATM withdrawal: Tallinn Sector | -259,200 | 178,924,882 |
| | You always take one note more than you asked for and put it back in the slot before the machine finishes counting. The machine has never once taken it, and the Bank has entered the note as a reserve in your name. Ref. CIBT-2967-F189-8 | | |
| 12 Jun | ATM withdrawal: Tallinn Sector | -172,800 | 178,752,082 |
| | Uma Ravensworth says a machine that pays out in whole days is the Bank's way of agreeing that nobody is owed the last second. Ref. CIBT-2967-9597-8 | | |
| 14 Jun | Mech Veterans' Time Pension | +414,062 | 179,166,144 |
| | The pension envelope arrived with its flap sealed twice, once by the Office and once by you. The Office's seal was the stronger one, and you asked us to say so. Ref. CIBT-2967-6C96-8 | | |
| 21 Jun | Temporal Health Plan | -35,244 | 179,130,900 |
| | The reimbursement was processed by a clerk who had just come back from a fortnight on Tallinn Sector, and who asked that her sunburn be noted on the form. It has been noted, which is all the form was able to offer. Ref. CIBT-2967-B0F6-4 | | |
| 30 Jun | Interest at 3.50% APY | +550,873 | 179,681,773 |
| | The fee on the interest was refunded in cash. The holder counted it at the window, gave it back, and said it was not his; the Bank replied that interest rarely is. Ref. CIBT-2967-7AFB-2 | | |

July 2966 June 2967

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
