Date	Description	Amount (s)	Balance (s)
02 May	Mech Veterans' Time Pension	+358,915	140,294,626
	A veteran of the same name at Tallinn Sector was paid this pension for one month, by mistake. They have returned the sum with a letter saying they had not expected it and had already spent part of it on a hat, and the Bank has taken the hat's value from your next instalment. Ref. CIBT-2968-A48E-9		
09 May	Temporal Health Plan	-18,341	140,276,285
	Auditors' query: the premium for 3 months is entered on the plan's books and on the member's, and the two figures differ. The member's figure is correct. The plan's has been corrected, and the difference moved to the suspense heading. Ref. CIBT-2968-4678-4		
09 May	Deposit: Hall E	+4,329,570	144,605,855
	The entry for the 9th was posted to the holder's old number after a change of account. The entry was amended by a clerk who had not made the first entry, and the sum moved with it, so the old number now shows nothing at all. Ref. CIBT-2968-6A38-3		
15 May	ATM withdrawal: Tallinn Sector	-259,200	144,346,655
	The receipt from Tallinn Sector was filed with the others for the same sum, and the Bank has been asked whether they form a set. They do, and they have been bound in order of printing, since no one else was ever going to do it. Ref. CIBT-2968-3DA2-1		
16 May	Slippage fee (Tallinn Sector, 6 transfers)	-1,800	144,344,855
	Crossings from Tallinn Sector are charged in days and converted at the posted rate, which at that station has not moved in 6 quarters. Nobody there has asked whether this is a rate or a habit. Ref. CIBT-2968-B5A7-6		
23 May	Payroll credit: Harbourfront Shipping	+1,028,618	145,373,473
	"Your employer is very punctual," the Teller says, "and very short of breath." The credit arrives in the right second and then rests, as if it has run all the way to the counter. Ref. CIBT-2968-880F-7		
29 May	ATM withdrawal: Tallinn Sector	-86,400	145,287,073
	You have drawn from the machine at Tallinn Sector on the 29th of each month for as long as the account has been open, and each time you stand behind the same pillar while the cash comes out. The officer on the concourse has asked whether this is a view of the machine or of the concourse. You have not said which. Ref. CIBT-2968-12FE-5		
31 May	Interest at 3.50% APY	+408,145	145,695,218
	Interest for 28 days was held at the relay at Tallinn Sector until a second officer there confirmed the rate. The rate was the one posted here, which she said she had expected, and the days are paid in full. Ref. CIBT-2968-1447-5		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
