| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 03 Jul | ATM withdrawal: Vancouver Sector | -86,400 | 148,146,873 |
| | Harbourfront Shipping pays its staff on the 3rd at Vancouver Sector, and their withdrawals that afternoon are entered in the staff's own names. Yours is entered in your own name, which the officer at Vancouver Sector has noted with some relief. Ref. CIBT-2968-09FB-8 | | |
| 11 Jul | Slippage fee (Vancouver Sector, 2 transfers) | -1,200 | 148,145,673 |
| | The fee for the period is higher than usual because the Vancouver Sector relay was down for 28 days, and every transfer went by the longer route. The longer route is charged at the longer rate, as the posted rates say. Ref. CIBT-2968-A91E-7 | | |
| 11 Jul | Temporal Health Plan | -28,576 | 148,117,097 |
| | Your dental check runs on a standing order every six months. The plan now takes the premium on the morning of the appointment, so the two appear on one line. The dentist has noticed and has asked whether the drill might be scheduled after the payment. Ref. CIBT-2968-3CA8-6 | | |
| 13 Jul | Payroll credit: Harbourfront Shipping | +1,028,618 | 149,145,715 |
| | Reading the Harbourfront Shipping remittance advice twice, the Teller remarked that it was the first honest figure to come from that office this year, and posted it without further comment. Ref. CIBT-2968-1F3B-3 | | |
| 25 Jul | Mech Veterans' Time Pension | +372,615 | 149,518,330 |
| | The first half of this month's pension was held at Vancouver Sector because the pension office had not yet posted its return; the second half was paid in full on the usual day. Ref. CIBT-2968-F165-3 | | |
| 28 Jul | Deposit: Hall E | +5,125,950 | 154,644,280 |
| | This line was entered twice last month, once from the slip and once from your own copy, both dated the 28th. The second has been struck. Your copy was right too, and has been kept with the statement. Ref. CIBT-2968-3037-2 | | |
| 31 Jul | Interest at 3.50% APY | +432,347 | 155,076,627 |
| | Interest on a balance of less than a whole second is not rounded at all, the Bank's view being that a small sum is already close enough to the truth. The figure above is therefore exact. Ref. CIBT-2968-C9B8-3 | | |

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
