Date	Description	Amount (s)	Balance (s)
08 Oct	ATM withdrawal: Callisto	-86,400	164,136,615
	The audit trail for the machine at Callisto shows 0.967 cycle dispensed and the rest printed as a receipt. The machine rounds down to the denomination it holds, and the trail records both figures. Ref. CIBT-2968-0750-1		
13 Oct	Deposit: Hall E	+7,478,851	171,615,466
	A second deposit was offered at the same window, and the officer declined it politely, on the grounds that the first had not yet been counted and the second would only have been a kind of showing off. Ref. CIBT-2968-0A35-4		
25 Oct	Mech Veterans' Time Pension	+347,250	171,962,716
	The pension due on the 25th was held 30 days for a form that the Authority's own office had stamped and then posted to the wrong office. The stamp was genuine, which made the delay harder to explain at the counter, and easier to forgive. Ref. CIBT-2968-F386-8		
25 Oct	Temporal Health Plan	-30,531	171,932,185
	No fee applies this month for the handling of paper receipts. The plan has stopped charging for them to members whose receipts are already filed by the provider's date, which it describes as generous. Ref. CIBT-2968-EBA8-3		
26 Oct	Payroll credit: Harbourfront Shipping	+1,028,618	172,960,803
	Callisto keeps the wage for its workers in a cabinet on the platform and releases it to the Bank by the same train that brings the post. The train is late more often than the wage, and the wage has never once been early. Ref. CIBT-2968-896D-2		
31 Oct	Interest at 3.50% APY	+478,983	173,439,786
	You keep a figure in pencil on the back of each slip and check the interest against it before the statement is opened. The two have agreed for 10 years. The officers no longer ask to see the pencil and have begun to ask after the lead. Ref. CIBT-2968-CF2A-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
