Opening balance	Credits	Debits	Closing balance
186,662,207 s	**+2,017,271 s**	**-10,249,497 s**	**178,429,981 s**

Date	Description	Amount (s)	Balance (s)
10 May	Payroll credit: Harbourfront Shipping	+1,028,618	187,690,825
	Each pay day you ask for the Harbourfront Shipping envelope back, empty, and hold it up to the window before you go. The officers no longer ask why. They hand it over with the slip, as though the envelope were part of the sum. Ref. CIBT-2969-6666-4		
15 May	Slippage fee (Mars Station, 2 transfers)	-1,800	187,689,025
	The relay at Mars Station stopped to let a slower relay catch up, which took 31 days. Your crossings sat in the queue for the whole pause and are charged for none of it. Ref. CIBT-2969-946D-9		
17 May	Transfer to own account: Mars Station	-9,699,738	177,989,287
	A charge of 9,699,738 listed as a transfer to Bram Valderrama was in fact a transfer to Bram Valderrama's account at Mars Station, which is a different account. The Bank has written to that holder, who replied that the sum was unexpected and welcome. Ref. CIBT-2969-B9B4-9		
18 May	ATM withdrawal: Mars Station	-259,200	177,730,087
	A withdrawal of 3 Standard days was taken, and the machine printed 259,200 on the receipt. The two figures are the same sum in different units, and the Bank reconciled them to the second on the 18th. Ref. CIBT-2969-1EAF-1		
22 May	Mech Veterans' Time Pension	+444,222	178,174,309
	The pension was held 31 days while the discharge board confirmed that its own minutes had been filed correctly. The minutes had been filed, and the board found them on the 22nd, where they had always been. Ref. CIBT-2969-EC84-2		
27 May	Temporal Health Plan	-29,559	178,144,750
	The handling charge on this claim came to 0.945 of a sol, which the schedule rounds to nothing, and the plan has been obliged by its own rules to say so in writing. Ref. CIBT-2969-3213-9		
29 May	ATM withdrawal: Mars Station	-259,200	177,885,550
	The machine could not find the 44 minutes you asked for and has rounded the withdrawal to the nearest five, the Bank having decided some years ago that minutes are to be found in multiples of five. The difference has been returned to the account as a small kindness. Ref. CIBT-2969-EBF1-2		
31 May	Interest at 3.50% APY	+544,431	178,429,981
	The fee for the monthly balance statement has been waived. The statement was printed on the back of last month's sheet, and the Bank does not charge twice for the same paper. Ref. CIBT-2969-2641-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
