Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
155,198,662 s	**+1,807,964 s**	**-6,600,568 s**	**150,406,058 s**

Date	Description	Amount (s)	Balance (s)
09 Oct	Mech Veterans' Time Pension	+326,684	155,525,346
	The pension was drawn a day late, the veteran having written to explain that the envelope had been sealed before the figure was added. The Teller observes that the pension is the one payment at this counter that has never needed a second look, and takes this as a fact about veterans rather than about herself. Ref. CIBT-2969-04F4-0		
11 Oct	Payroll credit: Harbourfront Shipping	+1,028,618	156,553,964
	The Teller compared the Harbourfront Shipping advice with the credit, found no difference, and went to lunch early to mark it. She considers that a fair use of a good result. Ref. CIBT-2969-CCF6-6		
13 Oct	Transfer to own account: Phobos	-6,392,826	150,161,138
	The Teller points out that the sundry charge on this statement was the only line you read before paying, and asks whether this was deliberate. It was, and she has admired it. Ref. CIBT-2969-E458-8		
14 Oct	ATM withdrawal: Phobos	-172,800	149,988,338
	Audit note: the withdrawal at Phobos was authorised with the machine's own key. The key is held by the custodian and matches the custodian's signature, which the auditors have checked twice and found, each time, to be the same signature. Ref. CIBT-2969-C15A-2		
28 Oct	Temporal Health Plan	-34,942	149,953,396
	A procedure code on the previous claim was entered as a dental item and has been changed to a physical one. The reimbursement is unchanged, and the small difference in fees has been returned to you. Ref. CIBT-2969-AC19-6		
31 Oct	Interest at 3.50% APY	+452,662	150,406,058
	Where the interest works out to half a second, the Bank rounds towards the depositor. This period it did so twice, which the officer has entered as a small kindness. Ref. CIBT-2969-F28A-9

November 2968 October 2969

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
