Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
142,377,653 s	**+1,497,604 s**	**-534,696 s**	**143,340,561 s**

Date	Description	Amount (s)	Balance (s)
03 Oct	Slippage fee (Ganymede, 1 transfers)	-900	142,376,753
	Two of your crossings were made in the same second, which the relay has no way of recording. It has recorded them as one, and the Bank has charged them as two, a difference the Teller regards as the Bank's joke at its own expense. Ref. CIBT-2973-FC71-4		
03 Oct	Deposit: Hall E	+661,638	143,038,391
	Two notes in this deposit proved to be one note, counted once at the window and again from the slip. One has been struck, and the officer asked the holder which of the two she had meant to keep. Ref. CIBT-2973-BBB0-9		
13 Oct	ATM withdrawal: Ganymede	-259,200	142,779,191
	You stand at the Ganymede machine for a moment before you press anything, each time, as if you were reading the screen a second time. The machine has learned to wait for you. Ref. CIBT-2973-377F-4		
16 Oct	Temporal Health Plan	-15,396	142,763,795
	The 0.30 s charge for moving your cover to a new branch has been set aside. Nothing has been moved; the branch is the one you have always used, and the form asked the wrong question. Ref. CIBT-2973-1804-8		
20 Oct	Mech Veterans' Time Pension	+420,698	143,184,493
	The pension was drawn a day late, the veteran having written to explain that the figure had been correct when it was first written down. The Teller observes that the pension is the one payment at this counter that has never needed a second look, and takes this as a fact about veterans rather than about herself. Ref. CIBT-2973-29FB-6		
23 Oct	ATM withdrawal: Ganymede	-259,200	142,925,293
	A line on your last statement dated this withdrawal to the day before, because the machine's clock had been set by hand after a fault. It was made on the day shown here. The machine has been set to agree with the branch clock, which took the custodian 28 Standard days and a ladder. Ref. CIBT-2973-A525-4		
31 Oct	Interest at 3.50% APY	+415,268	143,340,561
	Harbourfront Shipping paid a bonus into this account by mistake. It earned interest for 28 days and was then moved to the wages line, where it was paid, with the interest included. The bonus was more interested in the interest than in the wages, and the Bank has recorded that without comment. Ref. CIBT-2973-BADC-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
