Date	Description	Amount (s)	Balance (s)
03 Aug	Deposit: Hall E	+3,627,955	90,709,774
	A bonus from Harbourfront Shipping came through the window on the 3rd, dated three weeks earlier on the slip. The officers agreed that the date is the employer's affair and the money is yours, and credited it from the day it was counted. Ref. CIBT-2974-1DE7-5		
08 Aug	ATM withdrawal: Singapore Sector	-172,800	90,536,974
	No charge is made for the 39 minutes this withdrawal spent at Singapore Sector while the cash was counted by a clerk who had not been told it was coming. The minutes belong to the clerk, and the Bank has agreed that they are not yours to pay for. Ref. CIBT-2974-FDF0-0		
10 Aug	Slippage fee (Singapore Sector, 9 transfers)	-8,100	90,528,874
	The fee on your recurring crossings is 0.30 seconds each, and it has risen by a second every 29 days, since the relay drifts a little further each day it is left alone. The Bank can only set the relay when the relay asks to be set. Ref. CIBT-2974-B68A-5		
12 Aug	ATM withdrawal: Singapore Sector	-86,400	90,442,474
	The balance printed after your withdrawal at Singapore Sector was One Standard day higher than it should have been. The machine says it was waiting for the 12th to finish. The balance has been corrected on this statement, and the printed figure is struck through. Ref. CIBT-2974-71B6-8		
20 Aug	Payroll credit: Harbourfront Shipping	+1,028,618	91,471,092
	You collect the Harbourfront Shipping credit in days and deposit 0.962 of it again the same afternoon, at the same window, with the same officer. The arrangement costs nothing, and the Bank has said nothing about it, which the officer regards as the highest praise. Ref. CIBT-2974-6955-1		
22 Aug	Temporal Health Plan	-36,508	91,434,584
	The monthly premium of 36,508 for the Temporal Health Plan was taken on the 22nd, as on the 22nd of every month. The premium has not changed since 2971, though its wording has been revised twice, each time for the better. Ref. CIBT-2974-4857-0		
30 Aug	Mech Veterans' Time Pension	+388,931	91,823,515
	Each quarter, when the pension is paid, the Teller passes you the exact sum and one extra note, which you hand back. It is the only extra the Bank has ever paid out and the only one it has ever been given back. Ref. CIBT-2974-2908-5		
31 Aug	Interest at 3.50% APY	+253,988	92,077,503
	You measure the balance against the interest with a ruler on the counter, line by line, and check the last digit with your thumb. The officers have agreed the ruler is yours and have stopped asking you to put it away. Ref. CIBT-2974-8DD3-7		

Closing balance, month by month

September 2973 August 2974

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
