Date	Description	Amount (s)	Balance (s)
06 May	Mech Veterans' Time Pension	+444,345	79,055,688
	The payment fell on a day when the Venus clinic was hosting its annual inspection of limbs, and no certificate could be signed while the inspectors were in the building. It was paid the morning after, with the interest for the day. Ref. CIBT-2979-C684-8		
08 May	Temporal Health Plan	-33,292	79,022,396
	For the auditors: the physiotherapy claim on this line was checked against the appointment book, the appointment book against the clinic's kettle log, and the kettle log against the physiotherapist's own diary. The three agree to the hour. Ref. CIBT-2979-D48C-2		
09 May	Payroll credit: Harbourfront Shipping	+1,028,618	80,051,014
	"Wages are wages," the officer says, "even when they land before the work has been done." The slip is initialled twice, once for the day it was paid and once for the day it was earned, and the second stamp is the one that stays on the file. Ref. CIBT-2979-953E-9		
09 May	Deposit: Hall E	+2,087,685	82,138,699
	Deposit rounding: deposits made in part-seconds are rounded at the counter, which the Teller explains each time it is asked. This one fell on exactly half a second and was rounded to the even second, which the officers agree is the fairest result for all parties. Ref. CIBT-2979-5417-8		
16 May	ATM withdrawal: Venus	-86,400	82,052,299
	You have never drawn the same sum twice from the machine at Venus, though you draw from it every month. The officers have a theory about this and have agreed not to test it. Ref. CIBT-2979-1DAC-8		
28 May	ATM withdrawal: Venus	-259,200	81,793,099
	Audit note: the machine's tally for Venus differs from the withdrawals on this statement by 0.974 day. The difference is cash-time rounding, which the Committee has accepted since 2978, and the two agree once it is applied. Ref. CIBT-2979-A8B2-6		
31 May	Interest at 3.50% APY	+229,283	82,022,382
	The fee on the interest was refunded in cash. The holder counted it at the window, gave it back, and said it was not his; the Bank replied that interest rarely is. Ref. CIBT-2979-8971-6

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
