Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
120,297,674 s	**+690,618 s**	**-1,154,816 s**	**119,833,476 s**

Date	Description	Amount (s)	Balance (s)
03 Dec	Temporal Health Plan	-34,491	120,263,183
	Your employer's occupational clinic booked 6 sessions in your name and sent the invoice in the name of a department that has since been folded into another. The plan paid it, found the successor department, and sent the successor the bill. Ref. CIBT-2979-FD37-3		
17 Dec	Mech Veterans' Time Pension	+339,750	120,602,933
	The pension at Oakland Sector is posted before the station's lamps are lit, so the sum was already in the ledger the night before it was earned. The office calls this foresight, and the Bank has no objection to foresight in a pension. Ref. CIBT-2979-3058-7		
23 Dec	Transfer to own account: Oakland Sector	-1,120,325	119,482,608
	The transfer from Bram Valderrama was sent with a reference in days and a sum in seconds, and the clerk at Hall E asked for both to be the same. They were not. The sum has been posted as sent, and the reference has been left as it came. Ref. CIBT-2979-99D4-3		
31 Dec	Interest at 3.50% APY	+350,868	119,833,476
	A rate change posted at Oakland Sector reached this branch 30 days after the period had closed. The period has been calculated at both rates and the higher has been paid. The lower was never in dispute. Ref. CIBT-2979-24B1-6

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
