Date	Description	Amount (s)	Balance (s)
11 Jul	Mech Veterans' Time Pension	+403,383	82,047,100
	The schedule on your last statement gave the upgrade allowance for a limb you no longer have. The allowance is restated for the limb you do have, and the difference is paid back to you in cycles, which you may find easier to spend. Ref. CIBT-2981-EB79-9		
11 Jul	Temporal Health Plan	-19,802	82,027,298
	An officer who signed your notice of cover shares a surname with the provider who treated you, and the Teller asks us to say that they are not related. The plan has confirmed that they are not, and hopes they will get on. Ref. CIBT-2981-4247-1		
12 Jul	Deposit: Hall E	+3,097,976	85,125,274
	The Teller entered the sum in pencil, in case you wished to change it, and you did not. The pencil has been left in the drawer and the entry has not been inked, which is, she says, the most restful arrangement the branch has. Ref. CIBT-2981-77B2-8		
16 Jul	ATM withdrawal: Callisto	-259,200	84,866,074
	Withdrawals from Callisto are charged in whole cycle, rounded up, while deposits there are rounded down, which the local office describes as balanced. The arrangement is the same for every customer, and it has been applied to your 8564-1663-4124 without exception. Ref. CIBT-2981-943F-2		
18 Jul	ATM withdrawal: Callisto	-259,200	84,606,874
	The cashier at Hall E asked whether you had counted the notes yourself at the machine. You had, twice, and she said it was the only sensible thing anyone at the concourse had done all week. Ref. CIBT-2981-5102-2		
25 Jul	Slippage fee (Callisto, 8 transfers)	-4,800	84,602,074
	The clerk at Hall E noted that you asked twice for the slippage to be explained in whole seconds and not in fractions. It has been. The figure is 4,800 seconds, and the clerk has rounded it up in your favour. Ref. CIBT-2981-02E6-3		
29 Jul	Payroll credit: Harbourfront Shipping	+1,028,618	85,630,692
	The Harbourfront Shipping remittance was keyed under the hum of the sorting-room fans. The cashier has asked that the sound be left off the record and the figure left on it. Ref. CIBT-2981-FFE7-6		
31 Jul	Interest at 3.50% APY	+238,127	85,868,819
	Interest on the joint balance, credited to the holder named first on the account. The second holder has asked that it be split; the request is noted for after the year's close. Ref. CIBT-2981-315C-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
