Date	Description	Amount (s)	Balance (s)
04 Aug	Slippage fee (The Belt, 3 transfers)	-1,800	131,525,041
	The standing transfer to 8564-9048-6821 crosses 3 times a month at 0.30 s a crossing, so the fee comes to the same sum every month. The Bank has stopped sending the figure in advance, since it has never once changed. Ref. CIBT-2984-923D-1		
07 Aug	Transfer to own account: The Belt	-8,896,572	122,628,469
	You pay each sundry a day early, in exact coins, and set the sum on the counter with the coins facing up. The officer has come to regard the early payment as a sort of signature, and has stopped asking you to sign. Ref. CIBT-2984-E692-5		
19 Aug	ATM withdrawal: The Belt	-172,800	122,455,669
	Correction: the withdrawal on the 19th was rounded down by the machine to whole shifts, a rule the Bank had not known it had until this statement. The difference, 0.977 shift, is returned on this line, and the withdrawal is shown as it was made. Ref. CIBT-2984-6B44-9		
22 Aug	Payroll credit: Harbourfront Shipping	+1,028,618	123,484,287
	The credit was held in suspense for 27 days because the amount was held until the month's figures were final, and has now been released. No charge has been made for the hold. Ref. CIBT-2984-16A8-9		
25 Aug	Temporal Health Plan	-28,732	123,455,555
	Cover is measured in whole days, so the 28 days of the delay were counted as 8 whole ones. The plan's arithmetic has no halves and does not pretend to have any. Ref. CIBT-2984-26C4-8		
26 Aug	ATM withdrawal: The Belt	-86,400	123,369,155
	Two withdrawals made in the same minute at The Belt were rounded separately, so each was rounded at a different second. The Bank has added the two back together, and the total is the figure the machine paid out. Ref. CIBT-2984-A331-1		
29 Aug	Mech Veterans' Time Pension	+466,099	123,835,254
	Your balance is checked on the day the pension arrives, every month, by a clerk who does not read the figure aloud but makes a small blue tick beside it. The tick is the Bank's way of saying that the figure is correct, and the Bank has never used it for anything else. Ref. CIBT-2984-FE9B-7		
31 Aug	Interest at 3.50% APY	+383,619	124,218,873
	The posting was held on the 31st while the ledger was checked against its own copy. The check took 30 days, the copies agreed in every respect, and the interest was released with the days still on it. Ref. CIBT-2984-9FAB-3		

Closing balance, month by month

Highest 134,001,691 s · lowest 89,877,032 s

September 2983 — August 2984

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
