Period 1–28 February 2986
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
117,786,071 s	**+11,293,144 s**	**-127,159 s**	**128,952,056 s**

Date	Description	Amount (s)	Balance (s)
04 Feb	Mech Veterans' Time Pension	+455,247	118,241,318
	Once a year Harbourfront Shipping pays a dividend on the share of the pension it funded, on the day its own meeting closes. The meeting ran long this year and the dividend came late, though at the same rate, which the chairman has asked to have recorded as a point of pride. Ref. CIBT-2986-14F4-0		
06 Feb	Temporal Health Plan	-38,059	118,203,259
	Reserves for 2982 were checked, and a premium was found to have been paid twice. The second payment has been returned to you as a credit, and the reviewers asked that it be shown here, so it is. Ref. CIBT-2986-A604-6		
12 Feb	ATM withdrawal: Callisto	-86,400	118,116,859
	The One Standard day was ready at Callisto after a 9-minute pause, because the concourse's power was being moved to the relay's supply. The power was restored, and so was your cash. Ref. CIBT-2986-E6FE-9		
14 Feb	Deposit: Hall E	+9,465,737	127,582,596
	Notes totalling 9,465,737 were checked at the Hall E window. The Teller observed, to nobody in particular, that they had been folded by someone with a clear view of their future. Ref. CIBT-2986-443E-1		
23 Feb	Payroll credit: Harbourfront Shipping	+1,028,618	128,611,214
	The wage arrived in one lump, as the employer asked, and the Teller has written in the margin: one lump, not two, please note the lump. Ref. CIBT-2986-A69A-8		
23 Feb	Slippage fee (Callisto, 9 transfers)	-2,700	128,608,514
	A customer asked the Teller whether slippage could be avoided by not crossing. She said it could, and that he would then be unable to withdraw his money, which he accepted with some relief. Ref. CIBT-2986-9591-3		
28 Feb	Interest at 3.50% APY	+343,542	128,952,056
	You were asked whether you would prefer the fee waived or the interest rounded. You said both, and the Teller has done both and written it down in her own hand. Ref. CIBT-2986-DD60-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
