Opening balance	Credits	Debits	Closing balance
142,386,500 s	**+1,818,559 s**	**-2,603,618 s**	**141,601,441 s**

Date	Description	Amount (s)	Balance (s)
04 May	ATM withdrawal: Io	-86,400	142,300,100
	Your One Standard day was drawn at Io carried the length of the hall by a nephew, and the receipt was printed in full before you had finished reading it. The sum is the one on the statement. Ref. CIBT-2986-6946-4		
11 May	ATM withdrawal: Io	-86,400	142,213,700
	The Teller at Hall E asks us to record that your withdrawal at Io was the last of the morning, and that the machine was tidied afterwards. This is not part of its duties, and it was done regardless. Ref. CIBT-2986-14E5-0		
13 May	Mech Veterans' Time Pension	+374,648	142,588,348
	Your pension sat for 29 days in the Io sorting office, filed under a rank the Authority retired along with its uniforms. The clerk who found it said so with some pride, and the sum has been paid in full. Ref. CIBT-2986-D761-3		
15 May	Temporal Health Plan	-38,755	142,549,593
	The consultation on the 15th was billed under a schedule that had been withdrawn. The difference, 0.30 s, was recovered from the provider when the auditors asked about it, and nothing is owed by you. Ref. CIBT-2986-062C-6		
16 May	Transfer to own account: Io	-2,392,063	140,157,530
	This line was first entered against 8564-9048-6821 in error and has been put right to this account, where it belonged. The holder of 8564-9048-6821 has been informed and has replied that they had not missed it. Ref. CIBT-2986-A0B5-9		
18 May	Payroll credit: Harbourfront Shipping	+1,028,618	141,186,148
	The Teller has checked the credit against the advice and asks us to say that it is correct, and that she has no views on whether it ought to have been larger. Ref. CIBT-2986-A2A3-8		
31 May	Interest at 3.50% APY	+415,293	141,601,441
	Part of this month's interest was held back while Head Office recalibrated its clock, since interest does not accrue while a clock is being set. The 28 days it was held have been paid in arrears on this line. Ref. CIBT-2986-14E2-7		

Closing balance, month by month

Highest 142,386,500 s · lowest 86,425,425 s

June 2985 May 2986

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
