Date	Description	Amount (s)	Balance (s)
01 Jul	ATM withdrawal: New Orleans Sector	-259,200	141,904,404
	The monthly withdrawal at New Orleans Sector for 259,200, taken on the 1st as instructed. Your signature on the machine's record is the same each time; the custodian has compared the first with the latest and found no difference in the hand, only in the ink. Ref. CIBT-2986-7F64-8		
01 Jul	Slippage fee (New Orleans Sector, 6 transfers)	-3,600	141,900,804
	Harbourfront Shipping is charged slippage on the remittances it sends to your account. It pays the fee through its own books and asks the Bank to show the same figure on yours, so that both can say they were charged the same amount for the same second. Ref. CIBT-2986-4C7C-8		
03 Jul	Payroll credit: Harbourfront Shipping	+1,028,618	142,929,422
	The amount is less than last month, since Harbourfront Shipping has moved part of its payroll to New Orleans Sector, where it is paid in days and converted on arrival. Ref. CIBT-2986-EE20-3		
10 Jul	Temporal Health Plan	-38,257	142,891,165
	Your plan's renewal fell due while its office on New Orleans Sector was keeping its own calendar, so the renewal was entered a day early on this statement and a day late on ours. Both dates are on the record, and the premium is the one due on either. Ref. CIBT-2986-21EF-5		
10 Jul	Deposit: Hall E	+4,782,822	147,673,987
	A clerk who has never met the holder pays Harbourfront Shipping's pension top-up through this window each quarter, with a cheerful note about the weather at the firm's lakeside depot. Ref. CIBT-2986-231F-7		
14 Jul	ATM withdrawal: New Orleans Sector	-86,400	147,587,587
	No slippage charge applies to this withdrawal. The money was drawn at New Orleans Sector and posted at the branch, and the Bank does not charge for the distance between the two, which it has measured as 43 seconds on foot. Ref. CIBT-2986-3659-2		
22 Jul	Mech Veterans' Time Pension	+326,963	147,914,550
	The relay at New Orleans Sector carried the pension a day short of its route, to a town of the same name, and it was 31 days coming back. You are not charged for a payment that has been sent to the wrong town, as it was not yours to be charged for. Ref. CIBT-2986-72B4-0		
31 Jul	Interest at 3.50% APY	+414,643	148,329,193
	At the Ceres branch interest is calculated on the local day and paid in ore-weight, which the vault converts to seconds at its own scale. The scale is visited on the first working day of the month by appointment, and the appointment is kept. Ref. CIBT-2986-5C89-0

August 2985 July 2986

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
