Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
165,529,662 s	**+1,869,669 s**	**-2,094,135 s**	**165,305,196 s**

Date	Description	Amount (s)	Balance (s)
05 Jul	Payroll credit: Harbourfront Shipping	+1,028,618	166,558,280
	At New Orleans Sector the wages go out before the local calendar is agreed, so the Bank posts them in pencil until the office confirms the date. The date has been confirmed; the Bank has not yet changed the pencil to ink. Ref. CIBT-2990-3DA5-9		
11 Jul	Transfer to own account: New Orleans Sector	-2,061,839	164,496,441
	The Teller notes that the holder asked for this adjustment at the counter, then again at the counter, then a third time, and that all three requests agree on the sum. Ref. CIBT-2990-8651-4		
17 Jul	Temporal Health Plan	-30,496	164,465,945
	The reimbursement was processed by a clerk who had just come back from a fortnight on New Orleans Sector, and who asked that her sunburn be noted on the form. It has been noted, which is all the form was able to offer. Ref. CIBT-2990-5652-2		
18 Jul	Slippage fee (New Orleans Sector, 3 transfers)	-1,800	164,464,145
	Crossing 3 waited 29 days at the Callisto relay for a signature from Priya Ishikawa-Blue, who was on leave on another world. The fee runs from the day the transfer left Hall E, not the day it reached the desk. Ref. CIBT-2990-B2F7-3		
28 Jul	Mech Veterans' Time Pension	+358,257	164,822,402
	The administration fee on this pension has been waived for 18 months while the Pensions Office reviewed your file. Ref. CIBT-2990-C961-9		
31 Jul	Interest at 3.50% APY	+482,794	165,305,196
	The rounding account has carried the same fraction of a second for 8 years, and no statement has ever shown it. The clerks who look at it agree that it is not theirs to explain. Ref. CIBT-2990-FEB7-2		

Closing balance, month by month

August 2989 July 2990

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
