Opening balance	Credits	Debits	Closing balance
175,794,518 s	**+1,980,996 s**	**-1,217,304 s**	**176,558,210 s**

Date	Description	Amount (s)	Balance (s)
02 Aug	Mech Veterans' Time Pension	+439,644	176,234,162
	Harbourfront Shipping pays its share of this pension in its own unit, which the firm calls a day's wage and the Bank calls days. The two agree once the firm's calendar has been turned over. Ref. CIBT-2992-C153-4		
11 Aug	Payroll credit: Harbourfront Shipping	+1,028,618	177,262,780
	The advice went into the tray marked for pensions, which is the wrong tray, and was moved to the right one before anyone noticed. No one has been asked to check the move, since it was checked at once. Ref. CIBT-2992-6120-5		
25 Aug	Temporal Health Plan	-17,946	177,244,834
	Your physiotherapy at London Sector is billed by a clinic that keeps its appointments on a wall chart, copied to the plan each Sunday. Your session on the 25th was paid a week late, because the vessel was holding in a pattern over the drop point, and the clinic has asked that its chart be read to the plan aloud, which it regards as the more accurate method. Ref. CIBT-2992-333A-2		
30 Aug	Transfer to own account: London Sector	-1,199,358	176,045,476
	The sundry for the London Sector translation of this statement is charged in days and reads the same in seconds. You asked for both, and the officer has entered both, and nobody at London Sector has yet confirmed which one the other is a translation of. Ref. CIBT-2992-0CB9-2		
31 Aug	Interest at 3.50% APY	+512,734	176,558,210
	Interest on this line agrees with the branch's own sheet and with Head Office. The Audit Committee's sampler has ticked it and asks only that the figure be spelt out in seconds, which it is. Ref. CIBT-2992-7663-8		

Closing balance, month by month

September 2991 August 2992

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
