Period 1–31 October 2993
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
168,159,625 s	**+888,579 s**	**-5,993,819 s**	**163,054,385 s**

Date	Description	Amount (s)	Balance (s)
01 Oct	Mech Veterans' Time Pension	+398,114	168,557,739
	The dockyard at Harbourfront Shipping employed you for 10 years before the mechanised divisions did, and the first sum of your pension is calculated on the wage you were paid there. The Pensions Office has the wage on file and does not intend to revise it. Ref. CIBT-2993-1A72-4		
06 Oct	Slippage fee (New Orleans Sector, 9 transfers)	-8,100	168,549,639
	The New Orleans Sector branch reckons the slippage on its own crossings and passes the charge to us at the day's close. The rate is 0.30 s per Standard day, as on every world, and the local office asks to be thanked for working the sums without a calculator. Ref. CIBT-2993-6394-9		
17 Oct	Transfer to own account: New Orleans Sector	-5,950,411	162,599,228
	The Mars desk reckoned this sundry in sols, not Standard days, and asked for the difference to be carried in the local reckoning. The Bank carried it. The difference is 0.949, which is enough for a sol and of no help at all to a Standard day. Ref. CIBT-2993-6B6A-4		
22 Oct	Temporal Health Plan	-35,308	162,563,920
	The plan paid this claim after 28 days because the consultation had been recorded twice, once by the clinic and once by the plan's own relay, and the two records took that long to agree on which had come first. The claim is paid in full. Ref. CIBT-2993-D3BE-9		
31 Oct	Interest at 3.50% APY	+490,465	163,054,385
	The posted rate changed partway through the period. Interest before the change is at the old rate and after it at the new, and the change falls on the 31st, so you may check the sums at your own table, as you have done before. Ref. CIBT-2993-2199-8

November 2992 October 2993

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
