Opening balance	Credits	Debits	Closing balance
172,522,867 s	**+4,061,715 s**	**-295,441 s**	**176,289,141 s**

Date	Description	Amount (s)	Balance (s)
01 Aug	Mech Veterans' Time Pension	+443,997	172,966,864
	The statement for 2993 printed the award's figure with two of its digits transposed, which made the sum look smaller than it was. The Pensions Office has reprinted the line; the payment itself was always the figure the award gives. Ref. CIBT-2996-CF0A-8		
08 Aug	Temporal Health Plan	-33,841	172,933,023
	The premium on your last statement was rounded to the whole hour instead of the whole second, which is the plan's habit with premiums and not with claims. The difference of 0.984 of an hour has been returned, and the statement shows the figure in seconds. Ref. CIBT-2996-73EC-0		
18 Aug	Payroll credit: Harbourfront Shipping	+1,028,618	173,961,641
	The wage from Harbourfront Shipping was counted on the 18th, which the office had marked as a holiday. The Teller has asked whether the holiday is still observed, and has been told that it is observed by the wage. Ref. CIBT-2996-3574-9		
22 Aug	ATM withdrawal: Io	-172,800	173,788,841
	Last month's statement printed this withdrawal twice, once with its fee and once without. The fee was the correct one, and the second line has been removed without any other change. Ref. CIBT-2996-B42C-3		
25 Aug	Slippage fee (Io, 8 transfers)	-2,400	173,786,441
	"We round in your favour when the second is even and in the Bank's when it is odd," the Teller says. "This month was even." Ref. CIBT-2996-36CE-9		
25 Aug	Deposit: Hall E	+2,085,909	175,872,350
	Harbourfront Shipping pays a share of each deposit into your account on the first morning of the month, and the sum is entered before the window is open, the officers counting it by lamp. The slip arrives with a button from a coat the holder no longer wears tucked behind it. Ref. CIBT-2996-F651-4		
30 Aug	ATM withdrawal: Io	-86,400	175,785,950
	The officer on the concourse says the machine at Io has never once given back the exact amount requested, and that you have never once asked it to. Ref. CIBT-2996-E282-3		
31 Aug	Interest at 3.50% APY	+503,191	176,289,141
	This period's interest is the same as last period's, to within 56 seconds. The difference is the rate's fault and not yours, and the fault has been referred to the Rate Committee. Ref. CIBT-2996-39C1-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
