Opening balance	Credits	Debits	Closing balance
220,172,952 s	**+2,036,459 s**	**-4,021,318 s**	**218,188,093 s**

Date	Description	Amount (s)	Balance (s)
02 Jun	ATM withdrawal: Luna	-86,400	220,086,552
	A withdrawal made on the 2nd was not posted until 30 days later, because the machine at Luna had been serviced and its ledger carried away to be read by hand. The custodian who read it reports that the figures had been right all along; the machine had simply not been asked. Ref. CIBT-2999-5B7D-3		
03 Jun	Transfer to own account: Luna	-3,639,896	216,446,656
	The sundry from Bram Valderrama went out to Venus Cloudport and came back again before the desk could say whose it was. The blank card it arrived on has been returned to Bram Valderrama, unsigned. Ref. CIBT-2999-FDA7-9		
07 Jun	Temporal Health Plan	-34,922	216,411,734
	A session on the 7th was recorded as a consultation. It was a physiotherapy session, and the clinic's code has been amended, so the plan now pays the rate that fits the treatment. Ref. CIBT-2999-00CF-4		
13 Jun	Payroll credit: Harbourfront Shipping	+1,028,618	217,440,352
	Harbourfront Shipping pays its staff on Luna in days and sends the figure here in Standard seconds, converting it at the posted rate as it crosses. That conversion is why this wage is 0.960 of a second larger than the employer's own total. Ref. CIBT-2999-872F-2		
20 Jun	ATM withdrawal: Luna	-259,200	217,181,152
	An earlier line showed the withdrawal at Luna as 3 Standard days. The machine had paid out 0.991 day, which is the figure it uses, and the line has been re-entered in that unit so that the two agree. Ref. CIBT-2999-DF52-2		
23 Jun	Slippage fee (Luna, 1 transfers)	-900	217,180,252
	A crossing from Hall E to the Ceres relay is charged at the Ceres day, which is shorter than yours, so 1 crossings in one of your days are billed as 11 days' worth. The Ceres relay has not been consulted, and has not asked to be. Ref. CIBT-2999-EBEE-4		
25 Jun	Mech Veterans' Time Pension	+365,670	217,545,922
	Paid through the Luna branch, the pension is converted from local days at the day's rate. The Teller asks you not to be surprised by the sum. It is the sum you were promised, paid in a currency that has been moving about. Ref. CIBT-2999-79C8-6		
30 Jun	Interest at 3.50% APY	+642,171	218,188,093
	The interest for this period was posted 28 days late. The relay that carries the rate was asked to confirm it in seconds and again in days, and the two answers did not match until the second morning, when they did. Ref. CIBT-2999-D99C-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
