Period 1–31 December 2999
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
207,001,560 s	**+1,841,560 s**	**-293,682 s**	**208,549,438 s**

Date	Description	Amount (s)	Balance (s)
08 Dec	Slippage fee (Vancouver Sector, 2 transfers)	-1,200	207,000,360
	Slippage is worked out to the nearest tenth and then rounded again to the nearest whole second on the statement. Both roundings are recorded, and the charge is taken on the second, which is the rule and not a choice. Ref. CIBT-2999-F8E5-9		
15 Dec	ATM withdrawal: Vancouver Sector	-259,200	206,741,160
	A 0.30 s charge was struck from the 15th withdrawal, the withdrawal having been made from the machine by the lifts and not the one by the window. The cash was correct, the machine was not, and the Bank has decided to bill the machine instead. Ref. CIBT-2999-B864-9		
20 Dec	Temporal Health Plan	-33,282	206,707,878
	The premium on your last statement was rounded to the whole hour instead of the whole second, which is the plan's habit with premiums and not with claims. The difference of 0.980 of an hour has been returned, and the statement shows the figure in seconds. Ref. CIBT-2999-B23C-5		
21 Dec	Deposit: Hall E	+807,330	207,515,208
	This is the 21st deposit of the quarter to arrive in the same brown envelope, with the same slip and the same sum written in full. Nobody at the window compares it with the last one any more, since it has never once been different. Ref. CIBT-2999-6617-3		
22 Dec	Mech Veterans' Time Pension	+430,476	207,945,684
	Your pension was held 30 days because the carrier for Vancouver Sector took the schedules to a veterans' hall that had closed, and brought the sacks back on the 22nd. Yours was in the third sack, and the sum has been paid in full with the interest for the wait. Ref. CIBT-2999-430E-1		
31 Dec	Interest at 3.50% APY	+603,754	208,549,438
	The paper charge for this line has been waived, the statement having been printed on the wrong side of the sheet, which the Bank considers a penalty enough for everyone. Ref. CIBT-2999-607A-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
