Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
199,217,815 s	**+1,952,261 s**	**-7,112,606 s**	**194,057,470 s**

Date	Description	Amount (s)	Balance (s)
04 Mar	ATM withdrawal: London Sector	-86,400	199,131,415
	On the 4th the machine at London Sector offers you the draw it offered last month. You take it, and the machine is left with the impression that you have never once been surprised by it. Ref. CIBT-3002-C90C-6		
09 Mar	Transfer to own account: London Sector	-6,982,438	192,148,977
	The refund of 6,982,438 was posted 30 days late, because the branch had to establish which of two identical refunds was yours. Both were, and the second has been returned to the sender with the Bank's thanks. Ref. CIBT-3002-F093-3		
21 Mar	Payroll credit: Harbourfront Shipping	+1,028,618	193,177,595
	Your wage from Harbourfront Shipping is paid on the last working day, but the firm keeps a second pay day for its own accounts. On that day it sends the Bank a slip with nothing on it but the words "for your records", and the slip is filed with your records. Ref. CIBT-3002-5D06-0		
23 Mar	Temporal Health Plan	-43,768	193,133,827
	Your premium is drawn on the 23rd of each month in the same sum, which the plan describes as a standing courtesy to members who are not yet ill. It has been drawn in that sum since 3000, and no month has yet required the courtesy to be returned. Ref. CIBT-3002-A1A0-4		
27 Mar	Mech Veterans' Time Pension	+342,592	193,476,419
	Each quarter 342,592 is paid from this pension to a veterans' cenotaph fund at London Sector, which sends back a card with the same wording every time. The cards are filed with the statement, and the wording has not changed since 2998. Ref. CIBT-3002-2E23-7		
31 Mar	Interest at 3.50% APY	+581,051	194,057,470
	The auditors who went through the Hall E ledgers this year asked why this line was one second short of the reckoning. The answer is on file: the first second of the period is not counted, by agreement, and the auditors have accepted it with some reluctance. Ref. CIBT-3002-7981-4

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
