Opening balance	Credits	Debits	Closing balance
171,372,924 s	**+829,999 s**	**-2,408,654 s**	**169,794,269 s**

Date	Description	Amount (s)	Balance (s)
09 Jul	Mech Veterans' Time Pension	+330,162	171,703,086
	On the 9th of each year a single payment of 0.958 is made to the pension from the Bank's rounding reserve, as an acknowledgement agreed in 3000. No one has been able to find the agreement, but the payment has been made every year since, and the Office has come to expect it. Ref. CIBT-3002-127E-0		
12 Jul	Temporal Health Plan	-17,150	171,685,936
	Premiums are taken to the whole day and reimbursements paid to the whole session, so this month the plan kept 0.976 of a day and paid one session on your claim that was not on it. The surplus has been put on your next statement, which is not a word the plan uses often. Ref. CIBT-3002-55B5-2		
20 Jul	ATM withdrawal: New Orleans Sector	-86,400	171,599,536
	The remainder of 86,400 was returned to your balance, rounded the way the Bank rounds everything, which is carefully. The difference is smaller than a breath and is not shown on the receipt. Ref. CIBT-3002-88E7-3		
20 Jul	Transfer to own account: New Orleans Sector	-2,218,704	169,380,832
	Sundries under one whole day are carried forward, not rounded, and the carry is shown as its own line each quarter. This quarter it stands at 0.988, and it will be shown again next quarter, a little larger. Ref. CIBT-3002-881E-7		
24 Jul	ATM withdrawal: New Orleans Sector	-86,400	169,294,432
	The Titan Dome machine is serviced through the lake season, which the Bank has been asked to note as part of the reason this withdrawal took 30 Standard days to clear. Ref. CIBT-3002-C159-3		
31 Jul	Interest at 3.50% APY	+499,837	169,794,269
	You have asked the Teller to read the interest figure aloud at every visit since 3001. She reads it, you nod once, and the figure goes into your own book in your own hand. The nod is noted on the counter's copy of the statement and nowhere else. Ref. CIBT-3002-2341-9

August 3001 July 3002

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
