| **130,382,564 s** | **+6,980,792 s** | **-26,128 s** | **137,337,228 s** |

| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 13 Jun | Deposit: Hall E | +5,212,926 | 135,595,490 |
| | A deposit was keyed on the day the envelope was sealed and again on the day it was counted, so the same sum appeared twice in one week. The line was corrected in ink, with the pencil version kept beside it, and the sum is credited once, on the earlier date. Ref. CIBT-3012-E5B5-9 | | |
| 21 Jun | Temporal Health Plan | -19,828 | 135,575,662 |
| | Your premium cleared on the 21st and was posted on the 21st, the day the ledger was taken up to date. The gap is not a late payment; the plan has checked the day it was paid. Ref. CIBT-3012-0F05-7 | | |
| 24 Jun | Payroll credit: Harbourfront Shipping | +1,028,618 | 136,604,280 |
| | Under the Bank's rule for mixed credits, the Harbourfront Shipping sum and the Bram Valderrama sum are rounded separately and then added. The total comes to 0.980 more than if they had been added first, and the Bank regards that as the fairer of two errors. Ref. CIBT-3012-F869-5 | | |
| 26 Jun | Slippage fee (Callisto, 7 transfers) | -6,300 | 136,597,980 |
| | The crossing was entered 29 days late, because the relay's clock had been running on the far station's day for the whole week. The clock has been put back to ours, and the fee is charged on the day you sent the transfer, not the day the relay believed it was. Ref. CIBT-3012-0F49-5 | | |
| 28 Jun | Mech Veterans' Time Pension | +358,966 | 136,956,946 |
| | The pension due on the 28th was held 31 days for a form that the Authority's own office had stamped and then posted to the wrong office. The stamp was genuine, which made the delay harder to explain at the counter, and easier to forgive. Ref. CIBT-3012-C4B3-4 | | |
| 30 Jun | Interest at 3.50% APY | +380,282 | 137,337,228 |
| | Calculation runs on the balance before rounding and the result is then rounded, a sequence the Bank has kept since 3007 because it gives the depositor the larger figure on the one day of the year when the two would differ. Ref. CIBT-3012-885A-8 | | |

## Closing balance, month by month

July 3011 June 3012

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
