Standard Time Deposit

Wren Vantongeren
Unit 132, Pallas Ring 10

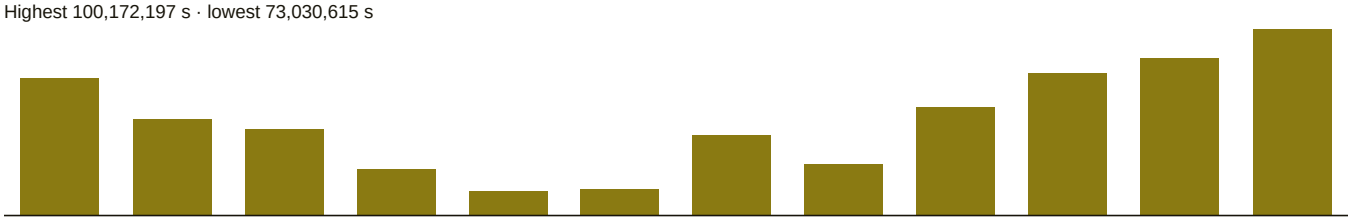

Account 8564-1663-4124
Period 1–31 March 3014
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
95,248,005 s	**+4,955,761 s**	**-31,569 s**	**100,172,197 s**

Date	Description	Amount (s)	Balance (s)
14 Mar	Deposit: Hall E	+3,311,544	98,559,549
	No fee is charged on this deposit because it did not leave the building: the sum was moved from the Hall E vault to your account, a distance of four metres, and the officer has entered the move as a courtesy and a relocation. Ref. CIBT-3014-D7F8-9		
19 Mar	Payroll credit: Harbourfront Shipping	+1,028,618	99,588,167
	At Kepler Ring the wages go out before the local calendar is agreed, so the Bank posts them in pencil until the office confirms the date. The date has been confirmed; the Bank has not yet changed the pencil to ink. Ref. CIBT-3014-212D-7		
20 Mar	Slippage fee (Kepler Ring, 6 transfers)	-5,400	99,582,767
	Slippage on this line is nil. The transfer went between two branches that share a relay and a clock, which the Bank had thought impossible until the 20th, and it is the first such transfer on this account. Ref. CIBT-3014-E39B-3		
24 Mar	Mech Veterans' Time Pension	+337,793	99,920,560
	The veterans' reserve pays in whole five-second units and the pension in whole turns, so every so often the two rounding rules meet in the middle. The Pensions Office has agreed that the middle is the most sensible place for them to meet. Ref. CIBT-3014-B2D0-2		
30 Mar	Temporal Health Plan	-26,169	99,894,391
	Last statement's premium was entered at the family rate, though you are covered alone. The premium has been restated at the individual rate, and the difference has been credited to this statement. Ref. CIBT-3014-51F1-1		
31 Mar	Interest at 3.50% APY	+277,806	100,172,197
	Harbourfront Shipping pays the interest on its deposit scheme in advance, so this line was credited before the period it covers had begun. The Bank has taken the advance into account, and the balance is correct on either calendar. Ref. CIBT-3014-5CA7-0		

Closing balance, month by month

April 3013 March 3014

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
