Date	Description	Amount (s)	Balance (s)
11 Jan	Transfer to joint account	-76,542	-76,542
	The holders came in together to sign the joint mandate, then stood at the counter for some time deciding which of them would sign first. The Teller offered to toss a coin for it. Both declined, and signed side by side on the same line, which the mandate does not require and the Bank accepted. Ref. CIBT-3017-79E9-1		
14 Jan	Payroll credit: Belt Ore Consolidated	+127,570	51,028
	Belt Ore Consolidated pays from a dock that keeps no day the Bank recognises. The wage arrives on the dock's own day, which the Bank converts into the nearest Standard day and sends on without comment. Ref. CIBT-3017-66D7-4		
15 Jan	Deposit: Hall E	+1,044,511	1,095,539
	Your deposit was made in 60 coins of the largest denomination, which the depositor asked to have counted onto the counter one at a time. The total came out 0.943 short, and the shortfall has been credited as a further deposit at the depositor's request. Ref. CIBT-3017-E9A5-7		
22 Jan	ATM withdrawal: Titan	-172,800	922,739
	The withdrawal at Titan stood on the screen for 57 minutes while the machine waited for a second officer's approval. The local office requires one for sums above a figure it does not publish, and once it was given, the cash came out without fuss. Ref. CIBT-3017-E1CA-3		
26 Jan	Turbulence Cover	-22,677	900,062
	The premium is quoted in cycles and paid in minutes, which the underwriters describe as a single rate for two currencies and a single sigh for the passenger. Ref. CIBT-3017-B423-2		
31 Jan	Interest at 4.50% APY	+0	900,062
	The monthly interest from Belt Ore Consolidated's deposit in your name is credited here on the 31st. The firm asks that the figure be shown separately each month, and it has been, in the same small type. Ref. CIBT-3017-497D-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
