Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
49,630,003 s	**+1,760,936 s**	**-349,200 s**	**51,041,739 s**

Date	Description	Amount (s)	Balance (s)
12 Jul	ATM withdrawal: New Orleans Sector	-86,400	49,543,603
	You were the only person at the New Orleans Sector machine on the 12th, and the Teller says you looked as though you had been expecting someone else. The Bank has no record of who, and the Teller has not asked. Ref. CIBT-2961-CD4E-6		
12 Jul	Slippage fee (New Orleans Sector, 6 transfers)	-3,600	49,540,003
	Your transfers were sent to the New Orleans Sector relay by a clerk who had been told the relay was on the other side of the river. It was on this side. The crossing was made once, and the fee has been taken once. Ref. CIBT-2961-118C-1		
13 Jul	Deposit: Hall E	+1,342,654	50,882,657
	The sum came from Harbourfront Shipping's cheque run rather than your own, since Harbourfront Shipping pays its staff's savings in a single figure and asks the Bank to divide it at the window. It has done this without remark since 2960. Ref. CIBT-2961-F206-2		
15 Jul	Payroll credit: Harbourfront Shipping	+219,762	51,102,419
	Harbourfront Shipping pays at New Orleans Sector by a sealed tally, broken at the counter and read aloud. The tally was broken on the 15th and read out in full. The officer on duty reports that the reading was clear, and that no one at the counter claimed to have heard it before. Ref. CIBT-2961-6D5E-4		
15 Jul	ATM withdrawal: New Orleans Sector	-259,200	50,843,219
	The receipt from New Orleans Sector was filed with the others for the same sum, and the Bank has been asked whether they form a set. They do, and they have been bound in order of printing, since no one else was ever going to do it. Ref. CIBT-2961-9531-0		
31 Jul	Interest at 4.80% APY	+198,520	51,041,739
	Interest for 29 days on this balance is worked to the second at 4.80% APY and then trimmed at the close of the Pallas Ring 10 day. Nothing was rounded in your favour or against you; the rule did it, and the table has no opinion. Ref. CIBT-2961-174B-2

August 2960 July 2961

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
