Standard Time Deposit

Zola Cardew
Unit 74, Pallas Ring 10

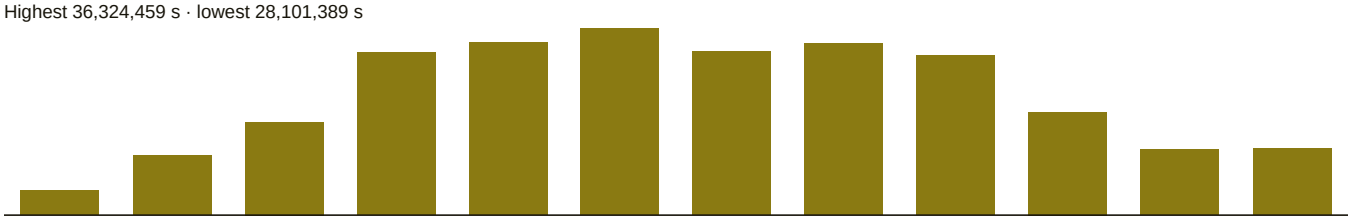

Account 8564-1663-7465
Period 1–30 June 2970
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
30,203,487 s	**+340,575 s**	**-282,817 s**	**30,261,245 s**

Date	Description	Amount (s)	Balance (s)
02 Jun	Slippage fee (Bronx Sector, 1 transfers)	-600	30,202,887
	Transfers from Bronx Sector are charged at the rate of the world they left, not the one they reached. The relay has asked that this be made clear, and the Bank has made it clear by printing both rates side by side, in a smaller type than the fee. Ref. CIBT-2970-3427-8		
11 Jun	ATM withdrawal: Bronx Sector	-86,400	30,116,487
	Your One Standard day was drawn at Bronx Sector in the last half hour before the window closed, and the receipt was printed in full before you had finished reading it. The sum is the one on the statement. Ref. CIBT-2970-C499-3		
15 Jun	Payroll credit: Harbourfront Shipping	+219,762	30,336,249
	You never spend the first day of a Harbourfront Shipping wage. You leave it on deposit for a day, then move it, and the Bank notes the day as a matter of account rather than of sense. Ref. CIBT-2970-2A6F-9		
24 Jun	Transfer to own account: Bronx Sector	-171,580	30,164,669
	"It's a sundry," the Teller says, which is as close as the Bank has come to describing it. Ref. CIBT-2970-FD46-4		
27 Jun	Turbulence Cover	-24,237	30,140,432
	The manifest and the policy number travelled by separate relays and arrived 30 days apart. The file shows both dates, and both are correct. Ref. CIBT-2970-9758-1		
30 Jun	Interest at 4.80% APY	+120,813	30,261,245
	Interest is reckoned in Standard days wherever an account is kept, so the figure on this statement is 4.80% of a year counted by the Head Office clock rather than the branch's. The Bank has converted it at the posted rate and does not intend to discuss it further. Ref. CIBT-2970-3D08-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
