Date	Description	Amount (s)	Balance (s)
06 May	Payroll credit: Harbourfront Shipping	+219,762	51,230,732
	Harbourfront Shipping held the wage on the 6th because its office was waiting for a job title. The title was entered as provisional, the wage released, and the title remains provisional. The Bank has no objection to a provisional title that pays. Ref. CIBT-2980-2A55-2		
09 May	Turbulence Cover	-26,884	51,203,848
	The policy names Harbourfront Shipping as second insured on your journeys to Vancouver Sector. The second insured has never once been delayed, which the underwriters find reassuring in an insured party. Ref. CIBT-2980-CAC4-2		
16 May	Slippage fee (Vancouver Sector, 8 transfers)	-7,200	51,196,648
	The 8 crossings were recorded against another holder's account for the first half of the period. Their fee has been moved across with them, and the other holder has been told only that the matter is being looked into. Ref. CIBT-2980-2531-4		
29 May	Transfer to own account: Vancouver Sector	-1,626,527	49,570,121
	A sundry line from Vancouver Sector is written in the local word for an hour, which the Bank converts to days without comment. The conversion is at the local rate, and the word is printed in brackets so the station can recognise its own word on the page. Ref. CIBT-2980-C216-1		
31 May	Interest at 4.80% APY	+204,043	49,774,164
	Interest on Vancouver Sector is paid in days, and the local day on which it was earned is one the Head Office does not keep. It has been credited on the nearest Earth day, which is the one printed here. Ref. CIBT-2980-7CDB-7
