Date	Description	Amount (s)	Balance (s)
09 Dec	ATM withdrawal: London Sector	-86,400	62,205,116
	A withdrawal at London Sector was posted to a branch account with the same number and a different check digit. The entry has moved to yours, and the other account has been reconciled to the second. Ref. CIBT-2983-6127-2		
18 Dec	ATM withdrawal: London Sector	-172,800	62,032,316
	The withdrawal waited 50 minutes behind a customer who was counting coins into a bag and had reached a sum the machine could not take. The bag was counted again, the machine took the sum, and yours was served after. Ref. CIBT-2983-A374-7		
19 Dec	Transfer to own account: London Sector	-1,842,673	60,189,643
	The expense claim you filed from London Sector has been settled through Harbourfront Shipping, at the posted rate on the day it was approved, not the day you filed it. Ref. CIBT-2983-0184-9		
24 Dec	Payroll credit: Harbourfront Shipping	+219,762	60,409,405
	Harbourfront Shipping moved its pay calendar in 2979 to run from the day staff are rostered rather than the day they were hired. The first credit under the new calendar came 29 days early, and the Bank has adjusted the statement without altering its own calendar. Ref. CIBT-2983-A878-6		
31 Dec	Interest at 4.80% APY	+249,166	60,658,571
	The interest for the 31st waited at the London Sector relay while its operator finished a letter to his mother, which the relay regards as ordinary business and the Bank regards as the operator's own affair. The interest was released when the letter was sealed. Ref. CIBT-2983-DB8A-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
