Period 1–30 June 3010
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
40,939,188 s	**+1,301,708 s**	**-185,235 s**	**42,055,661 s**

Date	Description	Amount (s)	Balance (s)
02 Jun	Payroll credit: Harbourfront Shipping	+219,762	41,158,950
	Net pay from Harbourfront Shipping came to 219,762 once the rounding rule had taken its share. The rule brings each wage down to the whole day, and the 0.968 left over is carried to next month, where it will be rounded again; where it finally ends up is not yet known. Ref. CIBT-3010-8A18-2		
10 Jun	ATM withdrawal: Nairobi Sector	-172,800	40,986,150
	The machine at Nairobi Sector keeps the local day, so the withdrawal shown on the 10th was made on that world's 10th, which runs a day ahead of this statement. Both dates are printed on the receipt, and both are correct. Ref. CIBT-3010-70C1-5		
20 Jun	Turbulence Cover	-12,435	40,973,715
	The Turbulence Cover on the Nairobi Sector route is renewed at the first ferry of each season, and the form is signed by whoever is standing on the quay. This year a porter signed it, and was thanked and not asked to sign again. Ref. CIBT-3010-4987-6		
22 Jun	Deposit: Hall E	+918,190	41,891,905
	The sum came from Harbourfront Shipping's cheque run rather than your own, since Harbourfront Shipping pays its staff's savings in a single figure and asks the Bank to divide it at the window. It has done this without remark since 3009. Ref. CIBT-3010-DF3C-2		
30 Jun	Interest at 4.80% APY	+163,756	42,055,661
	For one month, at the request of Harbourfront Shipping, your interest was paid into the firm's own account so that its treasury could see what a depositor's second looks like in practice. The treasury returned it on the 30th with a note of thanks and no comment on the figure. Ref. CIBT-3010-09DB-5

July 3009 June 3010

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
