Zola Cardew
Unit 391, Pallas Ring 10

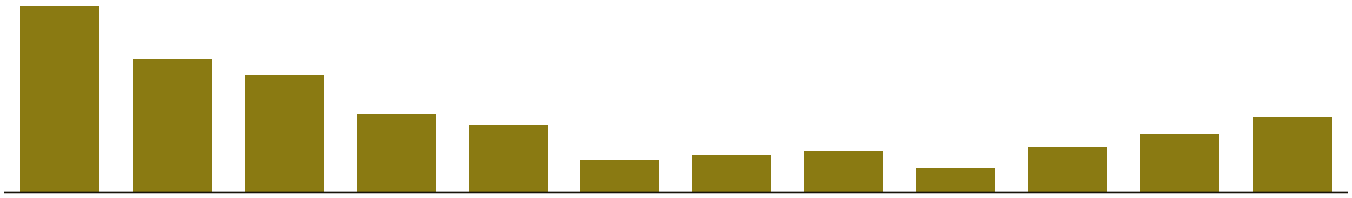

Account 8564-1663-7465
Period 1–31 July 3012
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
34,408,605 s	**+1,245,319 s**	**-600 s**	**35,653,324 s**

Date	Description	Amount (s)	Balance (s)
05 Jul	Event II restoration adjustment	+35,925	34,444,530
	Event II restoration adjustment. Your account is in restoration group 13; groups are restored in the order the Task Force sets, and earlier groups may be adjusted again. Ref. CIBT-3012-BA1E-7		
06 Jul	Slippage fee (Oakland Sector, 1 transfers)	-600	34,443,930
	Harbourfront Shipping moved its remittance window to the far end of its building in 3009, which the relay reckons 14 seconds further from the Head Office. The extra seconds are on this line, and the firm's reply, that the building did not move, is filed beside the Bank's. Ref. CIBT-3012-843D-5		
13 Jul	Deposit: Hall E	+851,998	35,295,928
	You stand at the window with your bag on the ledge while the count is made, and step back a single pace when it is finished, as if the ledge might want the room. The officers now leave the space clear before you reach it. Ref. CIBT-3012-3113-8		
23 Jul	Payroll credit: Harbourfront Shipping	+219,762	35,515,690
	You collected the Harbourfront Shipping wage in person on the 23rd and were seen to look at it for some time before depositing it again. The credit has been carried over as usual. The officer has noted that you read the figure twice, which the officer takes as a good sign for the employer. Ref. CIBT-3012-1375-6		
31 Jul	Interest at 4.80% APY	+137,634	35,653,324
	The interest is correct to the second. The principal it is paid on is held in a ledger the officer has not been able to find, though the balance is in the Bank's books and the monthly figure has never once been short. The officer asks that you not look for the ledger. It is in the building. Ref. CIBT-3012-6FC2-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
