Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
42,558,078 s	**+1,295,326 s**	**-183,103 s**	**43,670,301 s**

Date	Description	Amount (s)	Balance (s)
13 Dec	ATM withdrawal: Nairobi Sector	-172,800	42,385,278
	The 2 Standard days was ready at Nairobi Sector after a 60-minute pause, because the concourse's power was being moved to the relay's supply. The power was restored, and so was your cash. Ref. CIBT-3012-A240-3		
17 Dec	Payroll credit: Harbourfront Shipping	+219,762	42,605,040
	Each pay day you ask for the Harbourfront Shipping envelope back, empty, and hold it up to the window before you go. The officers no longer ask why. They hand it over with the slip, as though the envelope were part of the sum. Ref. CIBT-3012-B48A-7		
19 Dec	Turbulence Cover	-7,903	42,597,137
	The Turbulence policy was issued in 3009 to cover a route that has since been renamed. The premium has not changed, and the cover follows the renamed route at no extra charge. Ref. CIBT-3012-EDB8-7		
24 Dec	Deposit: Hall E	+905,332	43,502,469
	Two signatures are on the envelope and a third on the slip, in an order the counter has never seen before. The auditors have checked each against the register and have found all three to be the holder's own, though one of them is a little more hurried. Ref. CIBT-3012-0100-1		
26 Dec	Slippage fee (Nairobi Sector, 8 transfers)	-2,400	43,500,069
	Auditors: the 8 crossings on this line match the relay's log to the second, and the relay's log matches its own clock. Nothing further needs checking on this line. Ref. CIBT-3012-2609-7		
31 Dec	Interest at 4.80% APY	+170,232	43,670,301
	The Teller weighed the interest slip on the branch's paper scale, which is not calibrated for money, and reports that the slip is heavier than the sum it carries. She considers this a fair division of the work. Ref. CIBT-3012-20A9-8		

Closing balance, month by month

Highest 43,670,301 s · lowest 31,966,994 s

January 3012 December 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
