Date	Description	Amount (s)	Balance (s)
03 Feb	ATM withdrawal: Titan	-172,800	179,438,279
	The machine at Titan printed this receipt with the previous year's date, which the Audit Committee has treated as a question for the next year's ledger and not this one. Ref. CIBT-2995-7540-5		
05 Feb	Transfer to joint account	-602,807	178,835,472
	The joint interest was rounded up at the start of the month and down at the end, so that over the year the account gains a single second, which you have both been asked not to spend. Ref. CIBT-2995-94A8-7		
07 Feb	Transfer to own account: Titan	-1,683,984	177,151,488
	The exchange fee was held for 28 days, because the rate posted on the day of exchange was printed on a notice that had been put up a day early. The notice has been taken down. The rate it showed is the one on this statement. Ref. CIBT-2995-69B9-1		
13 Feb	Slippage fee (Titan, 6 transfers)	-1,800	177,149,688
	The 6 crossings this month were held at the Titan relay for 28 days while it waited for the interval the manual calls "the sensible gap". The gap has now passed, and the seconds are on their way. Ref. CIBT-2995-1C63-8		
25 Feb	Temporal Health Plan	-37,078	177,112,610
	Audit query: the 9 sessions billed at Titan add up to the figure on the schedule, but the schedule rounds each session on its own and the total does not. Both figures have been kept, as the auditors asked, and the plan has not chosen between them. Ref. CIBT-2995-C67A-8		
28 Feb	Interest at 3.40% APY	+508,898	177,621,508
	You have never asked for the interest to be shown in another unit. The statement gives it in Standard Galactic Seconds, as it always has, and you have never objected to the unit. Ref. CIBT-2995-5D80-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
